

MARIN CITY

DR. MARTIN LUTHER KING, JR. COALITION

Working to Build a Safe, Healthy, Thriving, and Self-determining Marin City

Dear all Marin City MLK Coalition members and friends,

Based on your collective responses, our next meeting has been confirmed for **next Tuesday, September 21st from 11am to 1pm at the Marin City Senior Center**. As previously mentioned before, there have been a number of important and exciting updates that the Coalition will need to be informed about to move forward in our work within the community. [Please click here to RSVP.](#)

This next meeting will be focused around important topics including, but not limited to:

- **2011 MLK Birthday Celebration - new format and leadership needed;**
- **MCCSD's Strategic Plan update - new Marin City policy initiatives;**
- **Coalition's Education Committee - the new Community Advocates for Children; and**
- **Opportunities for capacity building workshops and other resources for interested Coalition members.**

Second, the Marin City Health and Wellness will be hosting **the 4th Annual "Unity in the Community" Community-wide Health Fair on Saturday, September 25th 2010 between 10am to 2pm at 630 Drake Avenue in Marin City.**

Like we did at the Marin City Blues and Soul Festival last weekend, we'd like to again extend the invitation for all of the Coalition members to join us in co-hosting a booth at the upcoming fair. During last weekend's festival, our group was able to pass out **70+ informational flyers, conducted 50+ community surveys, and received positive feedback from community members** that we outreached to about the MLK Coalition, the work we do as individual organizations, and how others can get involved.

We want to keep this momentum going and bring even more visibility to the Coalition, its members, and most importantly, the critical issues that the Marin City is currently facing, and how we can work together to be part of the solution. **So, please join us in being part of this exciting event as well as helping to support our fellow Coalition member, the Marin City Health and Wellness Center. Thank you all in advance and I look forward to seeing you next week!

Looking forward,
